Welcome to Lehrman for the 2017-2018 school year!

We are so excited to share with you all the programs and initiatives we will be providing throughout the year to enhance our school community. We cannot wait to begin partnering with you to provide meaningful and fun programming and services for our students, parents and teachers.

We would love for you to get involved in any way that works for you!

We have many volunteer opportunities ranging from packaging and distribution of special PTC goodies to planning programs and events. We hope that partnering with us for program-specific activities will enhance your school experience and help you to feel even more engaged with Lehrman and its parent body.

On the following page you will find a description of all the ways to get involved with your PTC. Simply check the box by any programs in which you are interested or dates for which you'd like to commit your time, drop this form in the PTC mailbox, and the chairperson of that program will contact you soon.

We would love to hear from you with any questions or suggestions and truly look forward to sharing an amazing and productive school year with you and your family!

Welcome Home!

PTC Co-Presidents
Sarah Burstein and Suzy Wagner
