The holiday that marks the Jewish New Year. When and how we celebrate at home and at the synagogue? What is on the Rosh Hashanah table? Blessings for the candles, wine, challah and special food for this holiday. The students made greeting cards for their family. We also dipped apples in honey and recited the appropriate blessings.

We learned about the month of Elul. Elul is the last month in the Hebrew calendar. We discussed how we get ready for the new upcoming year and why the Rabbi blows the Shofar every day in the month of Elul.

The students learned the blessing and the meaning of eating the *rimon* (Pomegranate).

Yom Kippur:

On this day the Jewish people pray in the synagogue asking for good health and well-being for the New Year. The adults fast the whole day.

Why do we celebrate this holiday? What is a sukkah? What do we do in the sukkah?

Arba'at Haminim (Explaining the four species: Etrog, Lulav, Hadasim and Aravot).
